

Dear all,

*Happy Holidays and Happy New Year from Tall Grass Bison!!!*

2006 came and went too fast. Our last newsletter of the year is a review of what happened on the farm. The buffalo and everyone did fine. Hope it was the same for you as well. We look forward to 2007 being as rewarding. Keep sending all of your responses. We appreciate the feedback. These photos took a little longer to put together than anticipated. Look for the next newsletters to be our typical length.

Below is the link to our Shutterfly photo album. For those of you that are unfamiliar with Shutterfly, here are a few quick instructions. Click on the link below to go to our album. If that doesn't work, copy and paste the link into your address line.
